- Tools: Docker, GIT, PostgreSQL, Linux, Vim
- Platforms: Cloudflare, Vercel, Supabase

## Experience

- Solo Developer (self employed) Punjab, India  
Software Engineer (Full-time) April 2022 - Present

## Projects

- CoFlow:** A collaborative whiteboard platform enabling teams to brainstorm and plan projects efficiently. Built features like drawing tools, text editing, and shape creation, improving user experience.  
**Link :** <https://co-flow-sauravsinghkarmwars-projects.vercel.app/>
- Jobfeed:** Developed a comprehensive Job Portal web application connecting job seekers with employers. The platform features user authentication, profile management, job posting/application functionality, and advanced search filters. Implemented responsive design ensuring seamless experience across devices while maintaining secure data handling practices for user information and application documents.
